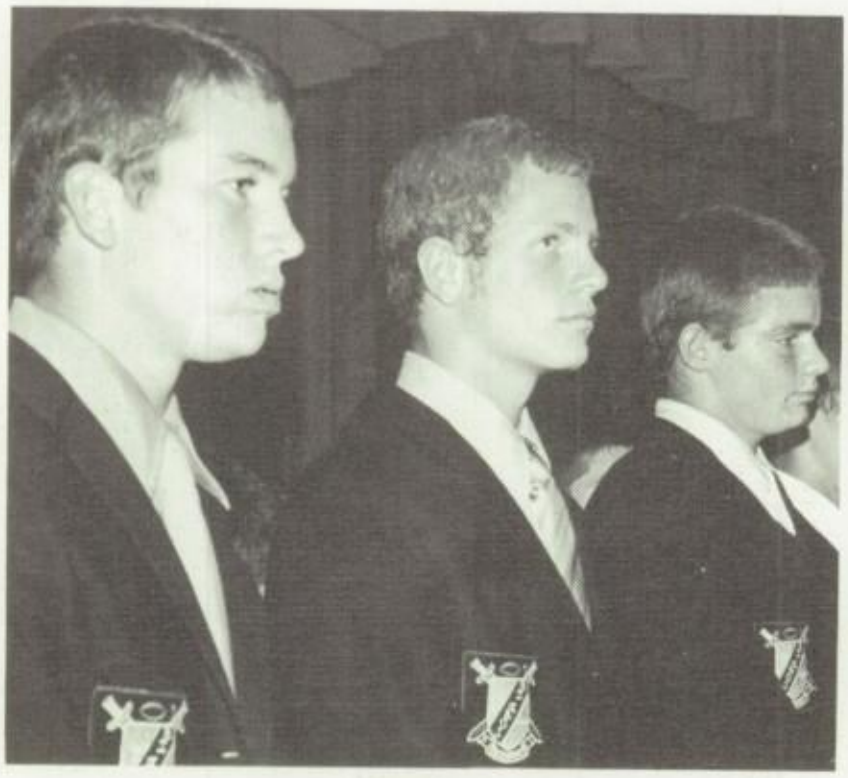
Everything is only for a day, both that which remembers and that which is remembered. Observe constantly all things that take place by change, and accustom thyself to consider that the nature of the universe loves nothing so much as to change things which are and to make new things like them. For everything that exists is in a manner the seed of that which will be.

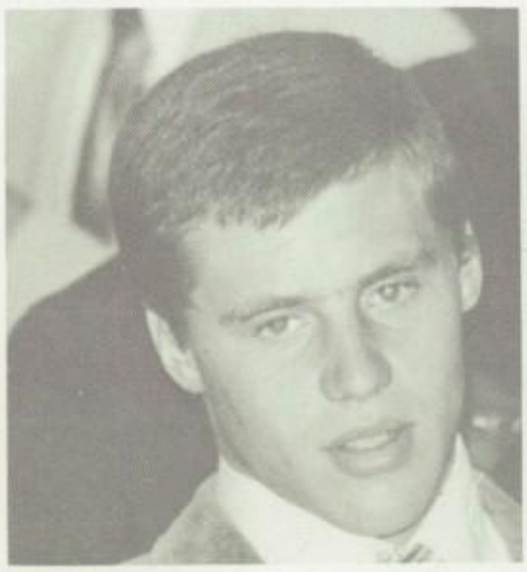
—The meditations of
Marcus Aurelius

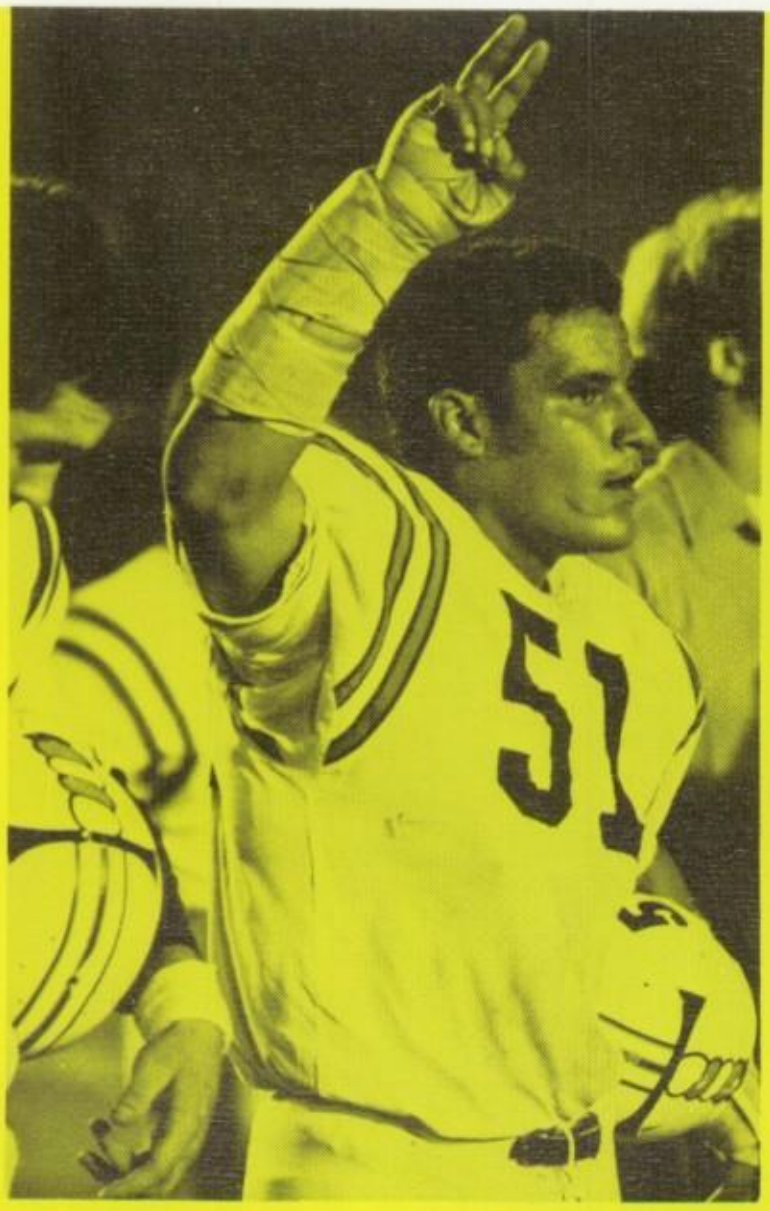


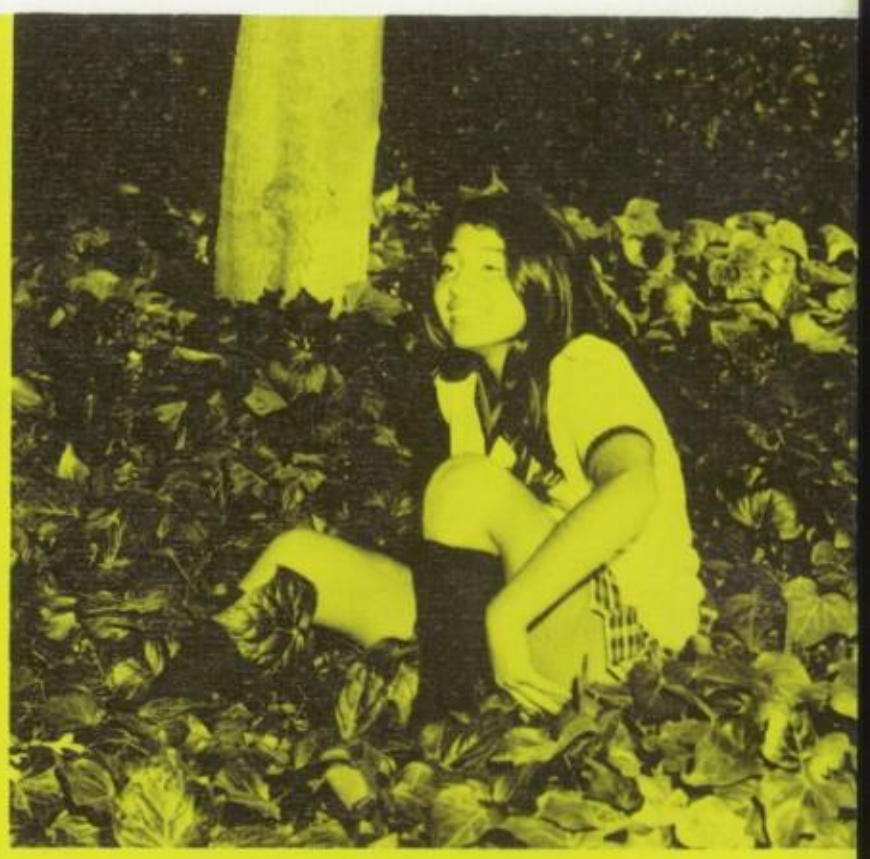
"Things do not change . . .

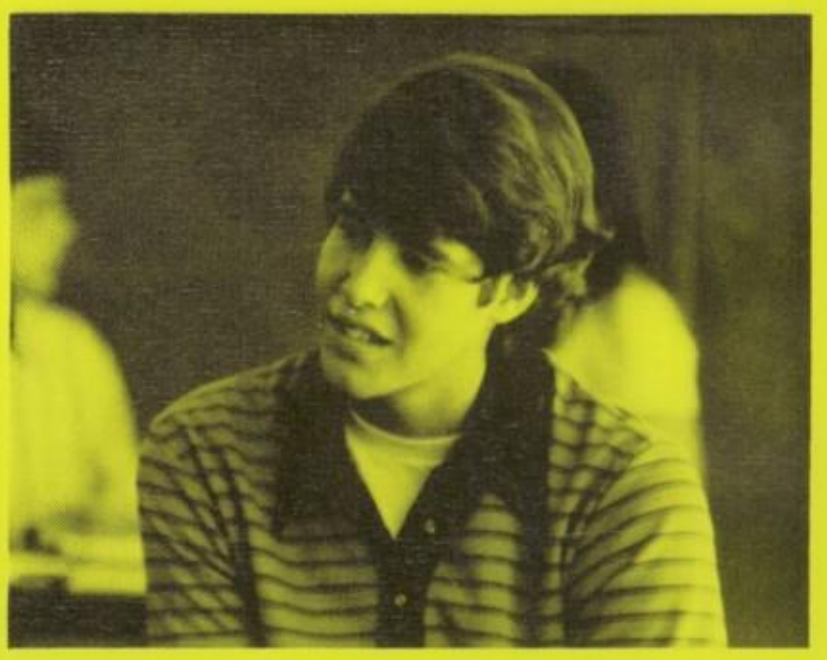
. . . we do."

—Henry David Thoreau









"Memories are gentle things
Soft and simple quiet things
Wonderful and wistful things
Lost in the eye of a moment . . ."

Seniors

Full of fun and imagination, and occasional bursts of studious energy, the senior class of '73 moved toward graduation on a wave of changes that began in their freshman year when St. Paul classes became coeducational. Their senior year was a victory for change, with a more liberal dress code, longer class intervals, more elective courses, and integrated lockers. The changing class of '73, however, will remain steadfast in spirit.

Juniors

With a premonition of the future and haze of the past, the Juniors proceed to seniority in good style. Stifled momentarily by the PSAT and NMSQT tests, the dauntless group delved into one of the greatest St. Paul endeavors, the Junior-Senior Prom. "We're the Class of '74," they proclaimed proudly on the famous ring day event, "and St. Paul can look forward to an exceptional senior class next fall."

Faces

"Let me tell ya'
The truth is in the eyes and the eyes don't lie, Amen.
Remember, a smile is just a frown turned upside down, my friend
So hear me when I'm sayin'

Sophomores

Of all the classes, this is the real "S.P" class . . . "S"ports and "P"arties. That's where you'll find their enthusiasm. The class of '75 has come alive, and is now just beginning to build up steam by proving their talents in the athletic and social fields. Want a good game? Call on the Sophs! Want a fantastic party? Call on the Sophs! They've made themselves known academically too — they're no slouches in this department. The class of '75 has made the adjustment and they're here to stay.

COLTON

Freshmen

With an eagerness to enjoy every minute of their Freshman year, the class of '76 soon became an integral part of St. Paul's. After the first few confusing days of rushing around and not knowing which building was which, this enthusiastic class quickly established themselves as top leaders in spirit. They got off to a good start by grabbing 1st place in the chocolate drive and by participating actively as well as verbally in school oriented activities. From then on their spirit skyrocketed, and their voices were heard loud and clear. Surely, the spirit of '76 lives on at St. Paul!

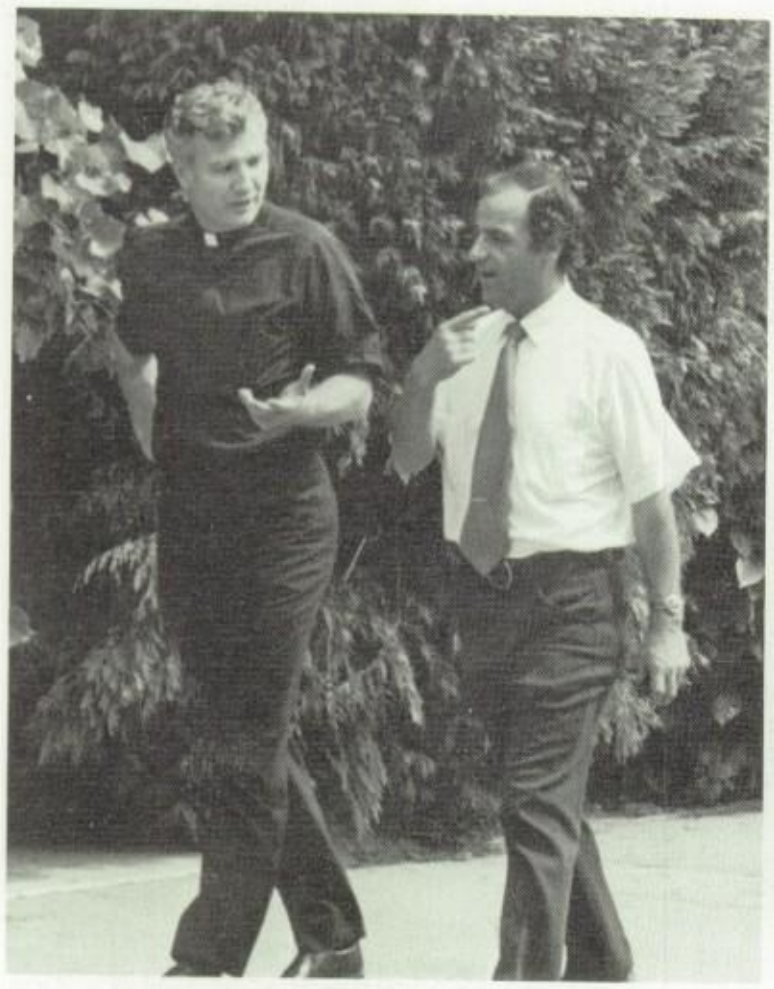
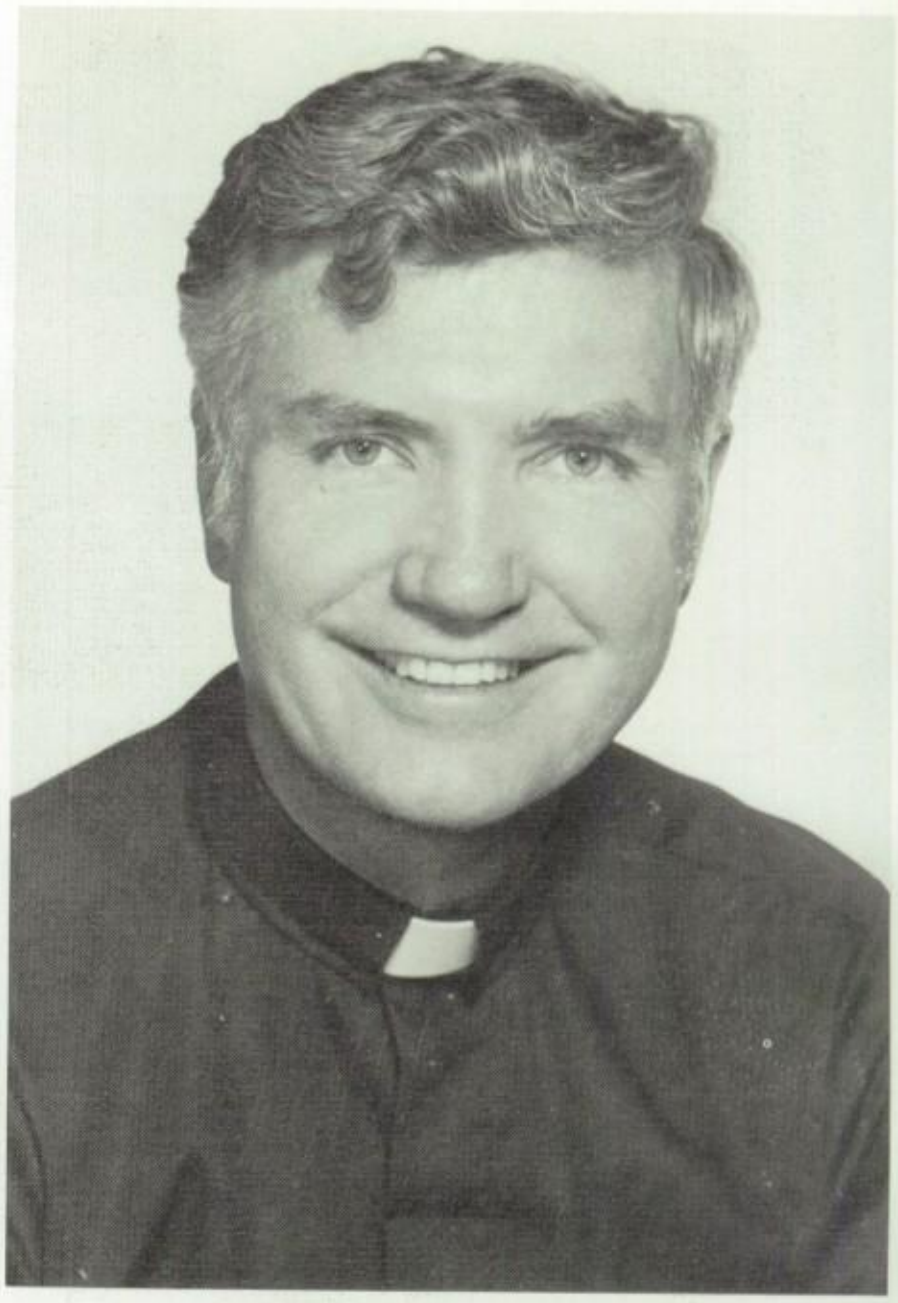
"Leadership: The art of getting someone else to do something **you** want done because **he** wants to do it."

—Dwight D. Eisenhower





Fr. Sylvester Ryan, Principal, 2 yrs.
Religion I

DEAR SENIORS,

When you read this message, I hope to have spoken with each of you personally. The time of our meeting may have been short, or it may have been amplified because of our circumstances together here at St. Paul, but at least I can, except when an aging memory fails me, call each of you by name.

There is Another, however, who has called you by name from the foundation of this world. St Paul, under whose inspiration you have spent these past four years, expressed this "calling" rather unforgettably: "Blessed be the God and Father of our Lord Jesus Christ, who has blessed us in Christ with every spiritual blessing in the heavenly places, EVEN AS HE CHOSE US IN HIM BEFORE THE FOUNDATION OF THE WORLD, THAT WE SHOULD BE HOLY AND BLAMELESS BEFORE HIM."

We only become selves, persons, when another calls to us, and calls us out of our isolation, calls us to be, not alone for ourself, but for others. So it is good that we have known each other, and called to each other, for in this way each of us has become more of a human being. Every person you meaningfully encounter from this point on in your lives will continue this creative exchange with you. But underlying and undergirding this humanizing experience is the God who has called you by name, is calling you now, and will call you last. He calls each of you to be his sons and daughters in the love of Him, Jesus Christ, in whose image and likeness each of you have been formed.

This is your "spiritual blessing in the heavenly places," and is the best gift you take with you when you leave St. Paul. Guard and cherish and enlarge this gift, and all the others will fall into place for your happiness, fulfillment and peace. Let us pray for one another continuously, and especially for those of our family of St. Paul, Marie and Steve and Bruce, who have received their final call in the Lord. To you, the class of '73, Vaya Con Dios.

We've known each other for a long time, what, since 1ST grade? But we really haven't been goods friends until now. Its really weird how people can know each other for so long yet never really get deep down. English class has helped

Homecoming '72

Amid the grand fireworks, and despite the rain, our five homecoming princesses rode around the track and walked across the field in grandeur. All were nervous and excited as the queen was announced. Tears of joy were expressed by our queen, Kathy DeLeo. The theme this year was "Colour My World" which was well displayed by our Drill Team, Flags and Majorettes.

Across: Diane Buehring, Michelle Guastella, Sally Younger, Judy Deitle, Angela Nolan. **Bottom:** Diane Varela, Lori Sresovich, Kathy DeLeo, Vicky Molino.

After many hours of practice and perhaps a few broken bones, the cheerleaders pulled through with a State Championship and a first place trophy from the Arroyo Tournament. Songleaders and Cheerleaders alike managed to keep the high flying St. Paul spirits under control, but not stifled, as the Swordsmen moved toward the C.I.F. Championship.

Head — Judy Deitle

Top: Nancy Johnston, Ellen Tracy, Cindi Stoffel, Danette Conforti, Sharon Ulrich. **Down:** Tawny Martinez, Denise Christenson, Pam Johnston and Antoinette Duran.

Drill Team

This year's Drill Team was headed by our new and ever-ready leaders, Margaret Becker and Mary Copeland. With a little imagination and a lot of practice, the St. Paul Drill Team put on delightful and colorful half time shows. With great pride and joy, the Drill Team came home with a first place trophy from Arroyo Tournament, and the Flagsters and Majorettes came home with third.

Head callers, Mary Copeland and Margaret Becker.

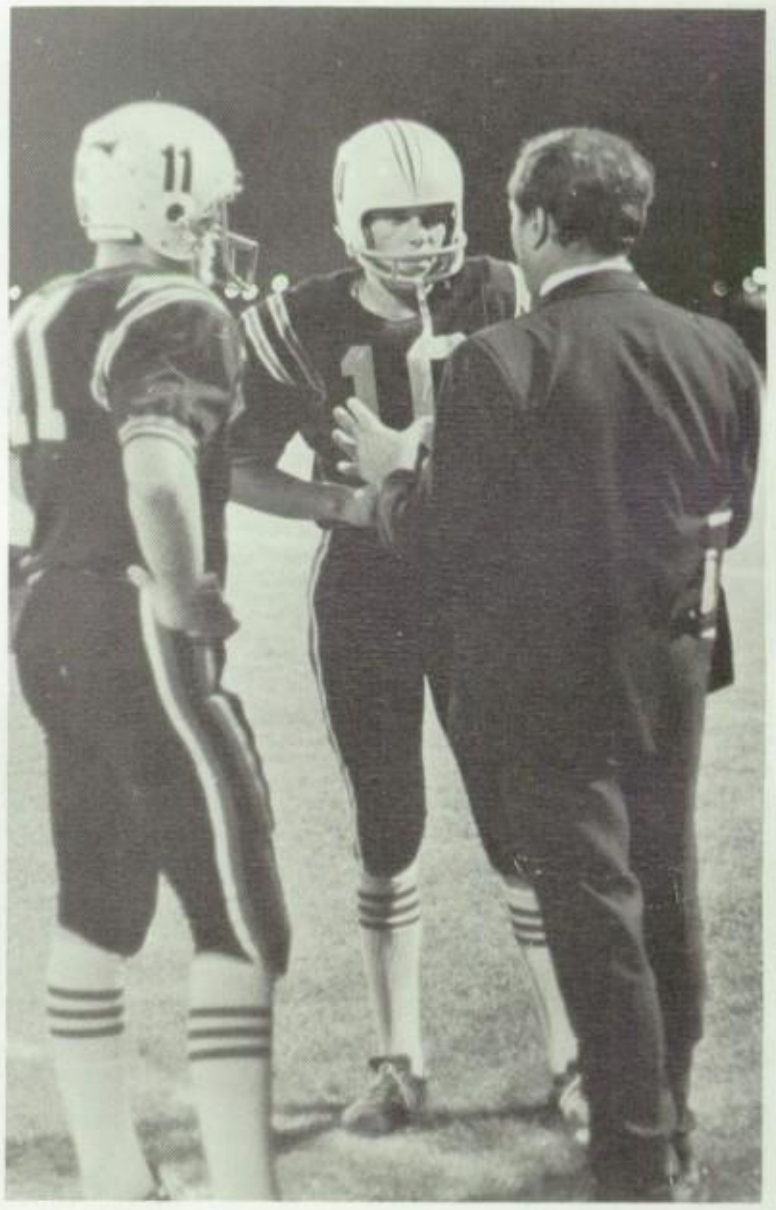
HOW IT STARTED — The Swordsmen, faced with the seemingly impossible task of replacing 32 graduating lettermen and 3 all-CIF players, shocked everyone by coming out in their first game and destroying L.A. City power Banning, 41-0. Next to fall before the Big Blue was Rancho Las Vegas. The Rams, who won the Nevada crown, suffered their only loss to the Swordsmen. The next game was a supreme test and the Swordsmen really came to play, stunning a favored Pasadena team 14-7 at the famous Rose Bowl stadium. Another trip to Pasadena and a lopsided win over former CIF champ, Blair, was accomplished. During these four weeks of pre-league play, the Swordsmen attained the No. 1 position in the CIF top ten poll and carried that position the entire season. This marked the eighth time in the past 12 years that the Swordsmen entered league play undefeated. The following pages will sketch the Big Blue's progress in America's top parochial football league.

Pat Degnan (12) puts foot into the ball as Swordsmen start 1972 season with a solid win over Banning.



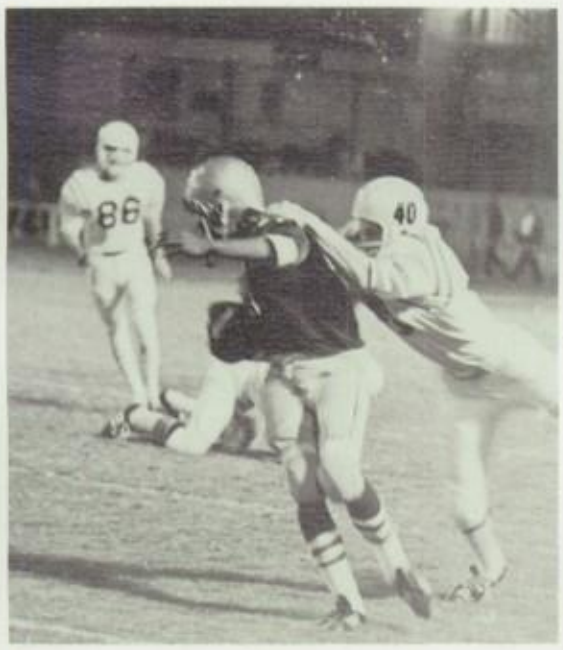
SP vs BANNING 41-0

Emmerling (22) waits for Fitzpatrick (62) to spring him loose against Rancho Rams.

SP vs RANCHO LAS VEGAS 28-0

Wargo turns corner behind excellent blocking as Swordsmen gain revenge over the Rams of Las Vegas.

Big John Hancock (55) and Rancho tackle go toe to toe during bruising Swordsmen win.



Ferron (40) corrals Blair receiver during 3rd quarter action.

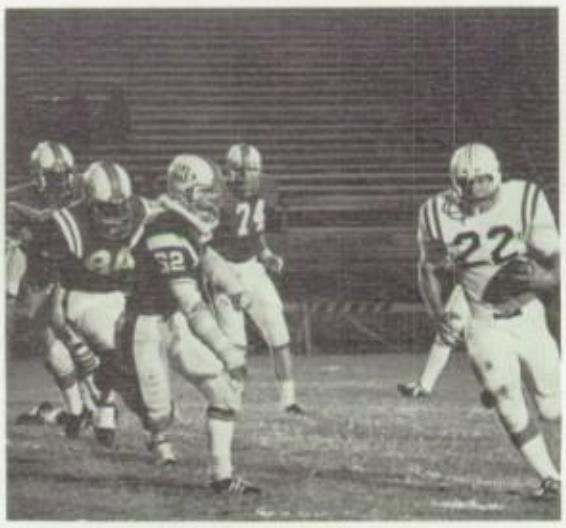
SP vs PASADENA 14-7

Degnan (12) lets loose behind perfect blocking in Pasadena game.

SP vs BLAIR 38-0

Dennis Blackwood (82) recovers loose ball in opening kickoff of Blair game.

Frank Martinez (20) beats Blair defender for big gainer on pass from Degnan.



Speedy Jim Emmerling turns corner and moves near goal as Bulldogs chase futilely.

St. Paul defenders put a quick stop to Bulldog's Phifer in Rose Bowl victory.

Defense aces Ed Matuz (42) and John Hancock put brakes on Blair back as Sarmiento comes over to help.

Wargo (34) bowls over would-be Monarch tackler in hard fought Swordsmen win.

Klemens (64) and Sarmiento move in to stop Monarch's Martindale before full house at Santa Ana Bowl.

SP vs MATER DEI 7-6

"Swordsmen won a 7-6 victory on soft, wet turf before 10,000 fans in Santa Ana Bowl. The victory enabled Coach Marijon Ancich's Swordsmen to post their fifth straight win over Mater Dei and achieve a 7-6-1 advantage in this rugged Angelus grid relationship."

Wargo gets nothing as Getz (62) and Naughton (71) arrive too late.

Dave Volgstadt (87), fine senior rover, is about to stick Monarch all-CIF star Gardea.

SP vs PIUS X 15-10

"Before a soggy crowd of 7,000 at Long Beach Veteran's Stadium, the Pius X Warriors fell short in their bid to upset the CIF's "AAAA" top ranked St. Paul Swordsmen suffering a 15-10 loss."

Bill Cuellar (81), Swordsmen wide receiver, hauls in big gainer against Pius.

Wargo (34), behind Emmerling (22), prepares to stiff-arm Pius end.

SP vs SERVITE 26-0

"Servite gave No. 1-rated St. Paul's a first-half fright Friday night in the battle of Angelus League unbeatens before eventually succumbing 26-0 to the well-conditioned and overpowering Swordsmen."

Speedy junior Ron Jenning (86) attacks Friar all-CIF ace Kenlon during second half action.

Friar defense trips up halfback Jim Emmerling as Swordsmen rout Friars 26-0.

Bruising line play from both sides is story as Wargo is dragged down.

Bill Wargo is loose again, this time for 20 big yards as Friars close in.

Degnan (12) drags Friars with him on touchdown, scoring quarterback sneak.

SP vs ST. ANTHONY 36-0

"Top-ranked St. Paul High School last night retained its unbeaten record by blanking St. Anthony, 36-0. The easy win clinched for the Swordsmen at least a tie for the Angelus League championship and a berth in the CIF playoffs."

Wargo gives menacing look to would-be Saint tacklers.

SP vs BISHOP AMAT 14-13

"AAAA" LEAGUES
ANGELUS LEAGUE

	League	All Games		
	W-L-T	W-L-T	PF	PA
St. Paul	5-0-0	9-0-0	219	36
Servite	4-1-0	7-2-0	154	96
Mater Dei	3-2-0	7-2-0	165	88
Bishop Amat	2-3-0	5-4-0	157	124
Pius X	1-4-0	4-4-1	112	116
St. Anthony	0-5-0	1-8-0	75	203

Defense swarms over and buries Amat back.

Coach Ancich and QB Pat Degnan ponder next move in championship game with Amat.

Victory smiles reflect Swordsmen win over Amat for Angelus crown and perfect season.

SP vs LA SERNA 47-0

"Top-seeded St. Paul ended La Serna upset hopes with a 28-point third quarter last night enroute to a 47-0 win in the opening round of the CIF AAAA football playoffs at El Rancho High School."

Volgstadt and Altomonte register victory smiles as Swordsmen destroy Whittier neighbor, La Serna, 47-0.

Degnan makes good on PAT as senior QB ended up 2nd in scoring.

Swordsmen charge out to meet chargers of Dos Pueblos.

The victory sign is up as Swordsmen run rough shod over Dos Pueblos of Channel League.

SP vs WESTMINSTER 10-7

"St. Paul got its first look at a 1972 brand Sunset League team Friday night in Long Beach's Veteran's Stadium and Westminster gave the Swordsmen one of their closest contests of the year. But Pat Degnan's fourth quarter 21 yard field goal broke a 7-7 deadlock and gave the Swordsmen a hard-fought 10-7 win before a capacity crowd. The victory dropped the Lions from CIF playoff contention and earned for the Swordsmen the rather dubious honor of facing Western next week for all the marbles."

All-CIF linebacker Ed Sarmiento zeros in on Lion's Accomando.

SP vs DOS PUEBLOS 34-0

"Like some porous oil derricks of a few years back, St. Paul High School left slick memories with local football fans last night, routing Dos Pueblos 34-0 in CIF AAAA quarterfinal playoff game at USC Santa Barbara."

Witteman scoops up low pass for big gain in Pueblos game.

The biggest field goal of the season goes off the foot of Pat Degnan to give the Big Blue 10-7 win over huge Lion eleven.

Defensive ace Mark Galindo (63) uses flying leap to stop Westminster's full back as Hancock (55) moves in to help.

Big John Hancock (55) stands up Lion tackle on screen attempt.

Swordsmen in the News

"Bob Acosta, Western High's 'Miracle Worker' was one miracle short Friday night. He appeared to have plenty in stock as he repeatedly rallied Western into the lead during Friday night's CIF 4-A championship football game at the Coliseum. But in the end, it was St. Paul quarterback Pat Degnan who outlasted Acosta and produced a miracle of his own as the Swordsmen outscored the Pioneers, 29-24, before 13,518 fans."

Swordsmen win it all in 1972.

Pat Degnan literally flies over Western's Paul Charlton for important first down

"A Coliseum throng of 13,588 watched the unbeaten Swordsmen overcome adversity and officiating to pull out the wild scoring contest."

Bill Wargo (34) follows teammate Greg Kramer (80) downfield for first quarter game.

Swordsmen defense digs in and prepares for 4th quarter Western field goal attempt

"It was a full 30 minutes after the game but the celebration was going strong in the middle of the Coliseum field 'I don't even know who the kid is who gave me the crown' laughed Ancich in the locker room, his voice raised above those of the players The jubilation was a mixture of happiness and relief The smallest championship crowd in many years, 13, 588, was treated to a game where the lead changed hands nine times as both quarterbacks were forced to open up when the ground games were stunted"

Bill Wargo (34) runs into Western defender for short yardage in bruising battle of unbeatens

"The lead changed hands seven times in this thriller, spotlighting unbeaten teams for the first time since 1966, and St Paul's had to come from behind four (yes, four!) times to triumph"

"In between his team's 11th and 12th victories of the season, Western High football coach Jim Everett said, 'It's nice to be undefeated but you only remember the one you lose.'"

Swordsmen offense runs into snag as ball squirts loose and is recovered by Western on the 1-yard line

CIF HEADLINES . . .

"Conservative, ground-oriented St. Paul went mod Friday night at the Coliseum. With quarterback Pat Degnan hitting 12 of 17 passes for 248 yards, including 11 completions in a row at one stage, the undefeated Swordsmen earned their first outright CIF 4-A football championship with a 29-24 victory over Western."

"'All I know is our kids will have a party all the way back to Santa Fe Springs. We'll float home,' said Coach Marijon Ancich"

Elated players in the dressing room attributed their perfect season to Coach Ancich, teamwork, and, in the words of tackle Joe Getz, 'the unity thing instilled in us.'"

"Perhaps though, offensive guard and pre-season all-state pick Mike Bruich best condensed the long and hard work of the season, and, as some will say, four years. 'We had a dream and we had the guts to make the sacrifices to realize that dream. They (Western) had the same dream, but they didn't have the guts.'"

Senior QB sets to throw on crucial 3rd down play which saw the all-CIF ace complete a fantastic 11 throws in a row

Varsity Basketball

Even with the disadvantage of height, the St. Paul Basketball Team contained their balance as a much improved ball team within the last few years. Coming back his third year as coach, Mr. Destro instilled the same powerful stamina in his senior/junior club, and also to two outstanding sophomore players, Dennis Pendergast and Mark Felix.

J.V. Basketball

With the helpful hand of whomever they could grab on to, the J.V. Basketball Team held on to its expected winning season. Many players from the team itself shared spots from Cee to Varsity games whenever needed, so needless to say, the J.V. Team is a shelter of upcoming superstars who will carry on the great conquering power of Saint Paul High School.

Cross Country

Coming back from many disappointments last year, Coach Tony Teixeira led his team to a 3-2 season. Rio Hondo and Dominguez Invitationals both cherished us with trophies, two of which went to Scott Tinley. Highlighting successes went to Tinley, Pilkington in league finals, and a vast improved Primo Cabral. St. Paul's will surely be a major power for years to come in Cross Country.

Track

Under the leadership of Coach Bruich and the devoted enthusiasm of Brother Paul, the St. Paul Track Team created right from the beginning a 2-0 season. These victories were established over Salesian and Pioneer, and with a new run of strong Cee and Bee superstars, the St. Paul Track Team will certainly keep its continued success for many seasons to come.

Girls' Track

This year, with the help of Br. Paul, a girls' track team was started. With Mary Dahnke as captain, the girls practiced jumping OVER hurdles, not into them, and with each hurdle came a vision of future success in a new field of girls' athletics for St. Paul.

Student Council

As every year, this year started with ASB officers full of ideas and idealism. Soon, however, the time-consuming "duties" seemed to drain much of the enthusiasm. The year's goal of "unity through involvement" seemed to be involvement of a few and apathy of the majority. Discouragement can easily set in under such conditions. Luckily, the frustrations provoked "disagreements" which in turn provoked ideas: A centrally located bulletin board for better communication, an Activities Committee to improve activities, a Judicial Board to keep check on the government, and night meetings to encourage new ideas . . . all of these suffered setbacks, yet all felt beginnings eventually. Perhaps this year's "beginnings" are just what is necessary for future growth.

Business Club

The goal of the Business Club is to raise money for the Annual Future Business Leaders of America Conference which is held in April. The money raised pays for the stay of each student who wishes to attend. Money-making plans this year included showing a movie, selling fruitcakes at Christmas time, and a pancake breakfast with a mini-carnival. On these pages, Business Club members successfully represent St. Paul at one of the Parents' Club programs as they demonstrate use of machines and equipment used in the Business Department. Miss Linda Edwards was this year's moderator.

Lumen Staff

Where have all the students gone,
long time passing . . .
Where have all the students gone,
long time ago . . .
Where have all the students gone,
gone home everyone . . .
When will they ever learn—we're
trying to condense the year 72-73?

These 208 pages are the result of Lumen Staff's immeasurable hours of hard and sometimes very tedious work. Much talent conceived the 1973 Lumen which in no time will be tucked away in a drawer or stored in a closet. Perhaps some kind-hearted student or staff member will display the yearbook with the same pride he felt for St. Paul High School.

G.A.A.

The Girls' Athletic Association is a large organization in which many of St. Paul's girls are active. The girls above represent only a few of the many members whose activities are not limited to athletics alone. In addition to the successful Arroyo, St. Anthony and Saddleback tournaments, G.A.A., under the supervision of Miss Hankins, also sponsored a bake sale and a Saturday Swap Meet. The lead-off for a successful year of activities was the annual G.A.A. picnic, shown on opposite page.

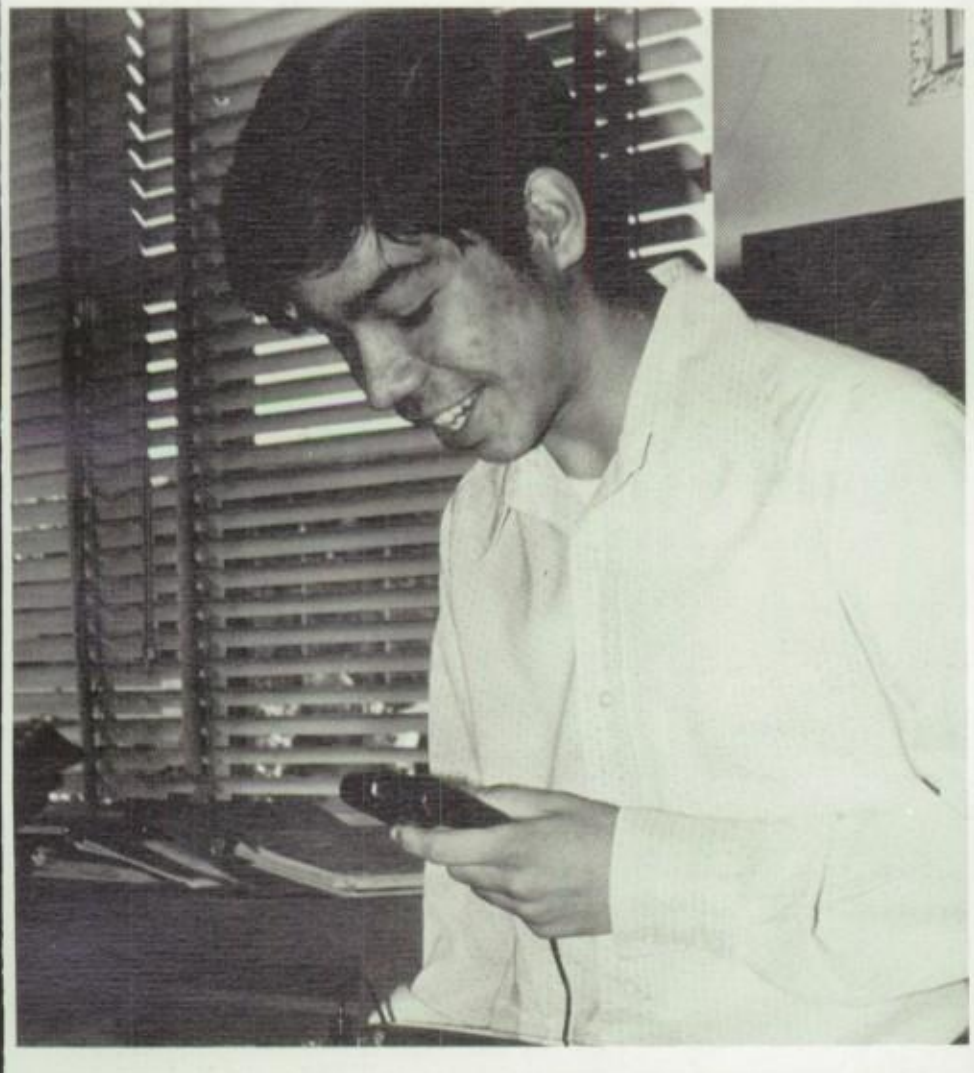
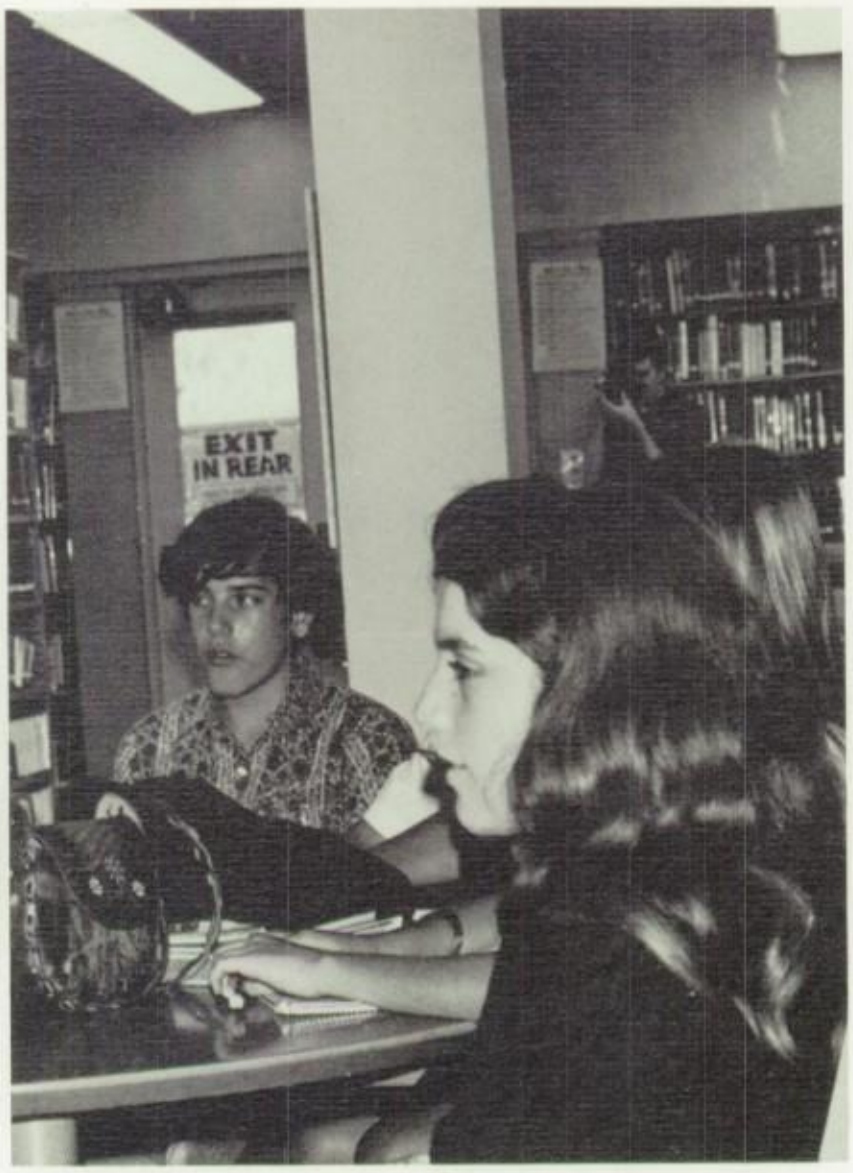
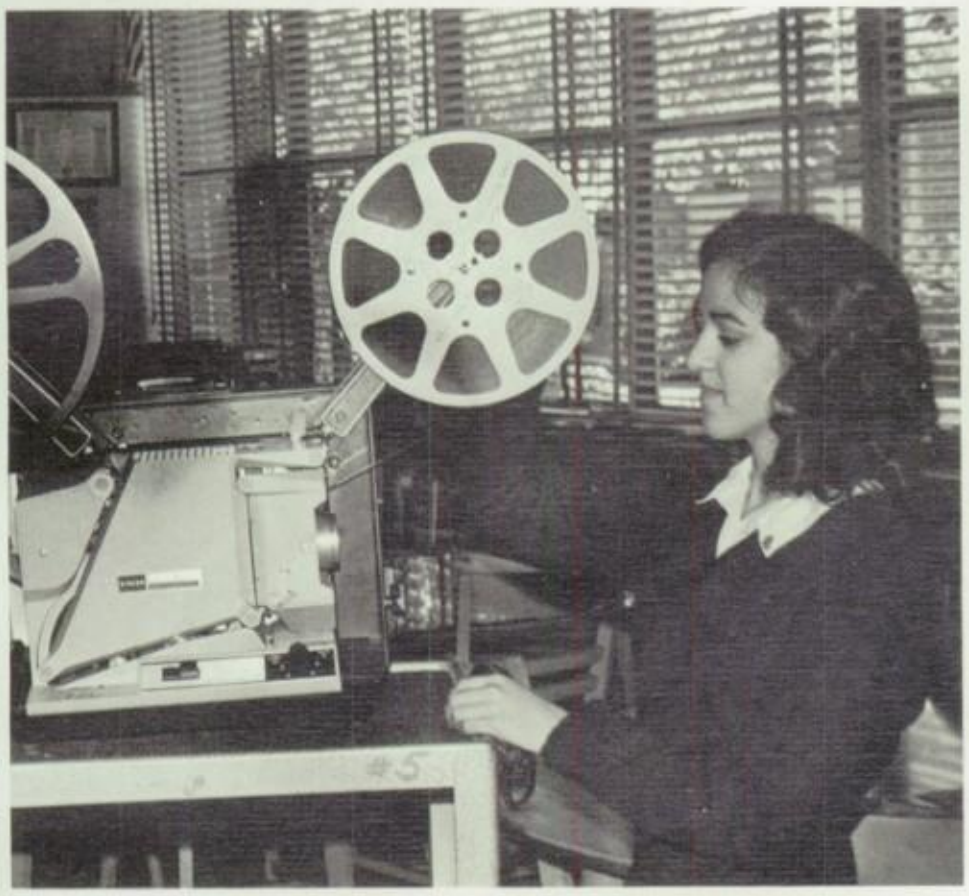
Library Guild/Audio-Visual

The Library Guild is a member of the National Catholic Student Library Assistants Association. The members are active in circulating books, magazines, pamphlets and audio-visual materials and equipment. This busy group also does shelving of all the materials and equipment. St. Paul High relies heavily on the efficiency of the library and the audio-visual department.







Spanish Club

This year extra credit was given to those students who joined Spanish Club. An added attraction, to help bring the students closer together, was the Spanish Club newspaper, **El Conquistador**. This provided a means for both expressing and comprehending the language. Newspaper editors were Sylvia Hervey and Irene Berumen. Mary Quiroz, President, headed the successful Procession of Our Lady of Guadalupe and the Mass in the gym. Money making activities included the sucker sale, Spanish food sale, and a school-wide raffle. The Spanish Club exposes the students in practical and cultural ways to the Spanish language. Members serve St. Paul High School and help themselves in the process.

Drama

St. Paul's sweetheart, Mr. Anthony, heads the very talented Drama Club. Their fall production of "Pygmalion" was outstanding, while plans for their spring play were in motion. It wouldn't be surprising if one of the fine actors of the Drama Club went on to become a great professional.

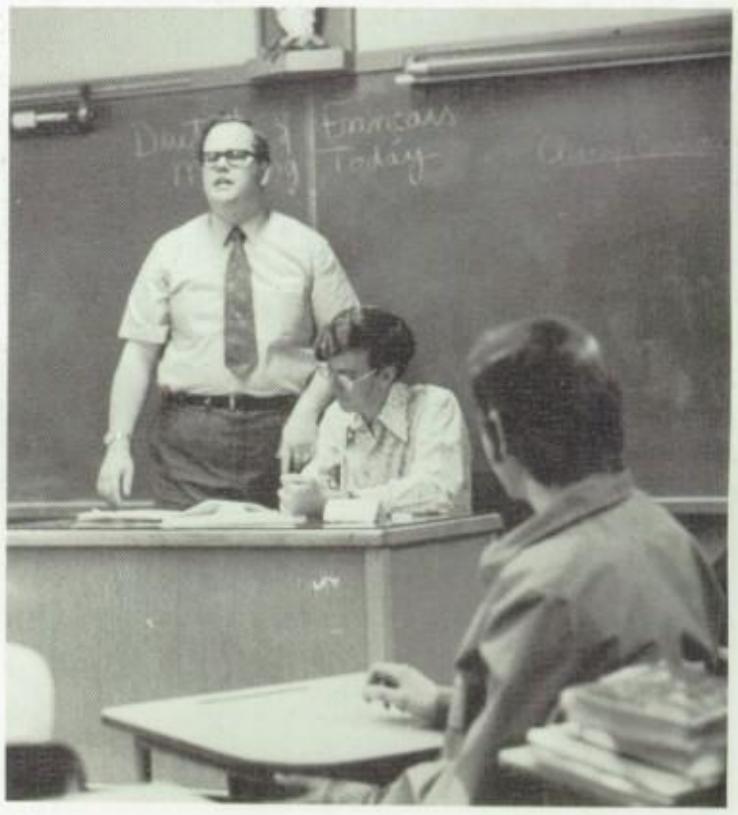
French/German Club

President Mark Wilson and Secretary-Treasurer Laura Mulcahey worked this year to keep the French/German Club on the move. Ideas and suggestions from club members resulted in a successful Christmas Party and viewing of foreign films at Cerritos. These were among the activities aimed at the club's goal toward greater appreciation and involvement in the cultures of the French and German speaking peoples. Moderating the club with authentic French and German style were the only two teachers of these languages, "Madame" Crawford and "Herr" Despard.



Top Row: Terrie Molina, Gina Roccaforte, Susan Chaparro, Ginnie Hitrec, Susan Boucher, Cathy Cobb, Imelda Ying, Colleen McGauley, Nan Budinger, Laura Noonan, Mr. Guarino. **Second Row:** Kathy Kinder, Sally Thompson, Denise Lopez, Frank Landin, Teresa Gallegos, Cecilia Werbeck, Marcie Lopez, Gail Cobb.

Ecology Club

Ecology club, led by president Sally Thompson and moderator Mr. Guarino, serves a twofold purpose. First, members look to themselves to be aware of their environment and to appreciate and enjoy nature. Plans for doing so included a combination bike trip and ecology picnic (with organic foods only), on Washington's birthday. Students, secondly, attempt to instill greater awareness in others of the pollution problem, so that they and others can continue to appreciate and enjoy their environment by helping to save it.

CSF/NHS

The National Honor Society and the California Scholarship Federation work collectively for the purpose of bettering the educational atmosphere of St. Paul High School. St. Paul was honored this year with the role of co-host for the CSF Spring Conference held at Whittier College in April. Other activities included a field trip during first semester to Placerita Nature Canyon and various fund-raising campaigns for the Father Michelle Scholarship which is given to two deserving seniors at the end of the year. This year's membership drive yielded a total of 200 members. Lumen lists, with pride, members of this organization which honors the efforts and hard work of conscientious students.

Math Club

Among the new teachers at St. Paul this year, Mrs. Atkinson took the first step to get better acquainted with students interested in Math. The members of the Math Club this year were all upperclassmen, but the club is open to all. The purpose of the club is to broaden and deepen the students' interest in mathematics. On November 18, 1972, club members were allowed a greater degree of creativity than usually found in the classroom, as they discovered new possibilities at Occidental College. The opportunity to work in special-interest areas of math presents itself to members of the Math Club. Join them next year and see.

Welcome sounds of music at St. Paul come from Mrs. Crawford's Girls' Chorus, who perform not only for school functions but for their own enjoyment and enrichment as well. Their singing includes classical, semi-classical, folk, popular and religious music.

Literary Magazine

Mrs. Lynne Alexander

While various members of the English department contributed works from their students and helped with suggestions for the Literary Magazine, Mrs. Alexander carried the load from acceptance of works to publication of the magazine. The prize for best title was won by Bill McGann for "Writer's Itch". The magazine took the place of the traditional school newspaper and was conceived as a means by which exceptional works by students of St. Paul could be compiled into a publication for the entire school to enjoy.

Well, I know I'll see you for many many years to come. I know you & Pat are going to be super duper. Happy Hope you're senior year is going to be the bestest (even if Pat won't be here) 'Cause you deserve the bestest. Always keep that smile on your face.

Sodality

Stacy Remkiewicz, President of Sodality, led the girls toward the achievement of their goal: to promote active, Christian living. Under the guidance of Sr. Estelle, moderator, the girls strive to become better and more involved Christians. Part of their involvement this year took them Christmas caroling at a convalescent home to share their Christmas spirit. Other special occasions for Sodality members included Father-Daughter Night in February and a Mother-Daughter Mass in May.

Parents' Club

Another year has passed. Some of you Swordsmen will be leaving St. Paul. You have been preparing yourselves for the tasks that lie ahead. It would be difficult to photograph the ideals your parents and teachers have endeavored to instill in you.

Christ's teachings offer solutions to problems facing society. It is up to you to remember the things you learned.

God bless you in your future undertakings.

Cathy,
It has really been nice getting to know you better this year. History was a lot of fun although sometimes it was kind of boring. This year has been great but I'm glad it is almost over. Lots of luck in the future and may you have all the happiness, love, and friends you need to survive in this world. Have fun in the summer and I will see you next fall.

Luv,

Cathy,
Haven't had you too much in this class, but we've been together in Religion. We know Miguori is sometimes a pain but we've made it through. Good luck during the summer & I'll see you next year as a Senior and I hope it's the greatest year for you.

Cathy,
Hi there. Here we are again another year gone by and we're still best friends. I'm really glad we're friends because good friends are hard to find. You're a sweet, sensitive, and understanding person and I'll always feel that if I ever need someone to talk to that I can count on you. I feel that this year we have become much closer friends even though we haven't had that many classes together. I hope we can become even closer friends in the future. I hope we have a lot more good times together and a lot more good memories. Have a great summer. Good luck in everything you do. You deserve the best. I wish you and Pat happiness always. Be good. I'm glad I've got a friend like you.

Love always,
Janet

Enjoyed having you in class this year. Even though you never listened, I hope you learned a little mathematics, for instance

$$\log_p x = n \iff p^n = x.$$

Very best wishes for an enjoyable Summer. Hope I have you in class next year.
